_____ I have volunteered with KUGS before.

No previous experience is necessary in order to volunteer at KUGS! However, if you have volunteered at KUGS before, or have other radio experience, please tell us about it: _____

What times work best for you for meetings and trainings? _____

Volunteer Information

- It is not necessary to be a student in order to volunteer. However, as KUGS is an activity of the Associated Students of Western Washington University, priority is given to WWU students.
- All non-University affiliates/community members must be registered as a University Volunteer through WWU Human Resources.
- All KUGS volunteers must complete a mandatory training quarter as a newsreader before becoming a Music for the Masses DJ. Upon completion of their first M4tM quarter, volunteers are qualified to apply for a specialty program. For more information regarding this guideline, please contact the Program Director.
